Sprint Cancellation Policy

Sprint gives all customers a 14-day (including date of purchase) trial period to try out the equipment and Sprint service without incurring an early termination fee. If the service is cancelled after the 14-day trial period, Sprint will charge the subscriber an early termination fee per line as follows:

Advanced Device:

\$350 Early Termination Fee (Prorated amount is calculated by taking the months remaining on your service agreement times \$20, with a maximum of \$350 and a minimum of \$100.) Note: Visit www.sprint.com/etf for details on Sprint device types.

Standard Device:

\$200 Early Termination Fee (Prorated amount is calculated by taking the months remaining on your service agreement times \$10, with a maximum of \$200 and a minimum of \$50.) Note: Visit www.sprint.com/etf for details on Sprint device types.

Any rebates associated with equipment that has been returned will not be honored.

The device(s) you purchased reflects a discount that is based on activation. If for any reason you cancel your service or your service is terminated within 90 days of activation, the device(s) you purchased should be returned in accordance with Wireless Advocates' return policies so that we can continue to offer a value to Costco.com customers.

Costco.com Cellular Device Return Policy

To return your purchase, please contact our customer service team. Please do not return your purchase to a Costco warehouse. Costco.com's return policy for cellular devices is 90 days from date of purchase. Within 90 days you may receive a refund on the device itself. However, if you cancel service outside of the 14-day Sprint trial period you are responsible for any fees (see *Sprint Cancellation Policy* above). All device(s) must be returned in a complete, like-new condition with all accessories, box, and instructions. Within the 90-day period a defective/non-working device may only be exchanged for the exact same model. Costco.com does not sell replacements for broken or damaged devices. Devices may not be returned or exchanged for a different model. All cellular device purchases require either a new 2-year activation agreement or a qualified upgrade.

Sprint Device Repair or Replacement

For defective devices beyond Sprint's 14-day return policy but within the 1-year Manufacturer Warranty, Walk-in repair/service is available at your local Sprint Retail Store with a charge of \$75. The \$75 fee will NOT cover liquid damage or physical damage. Sprint offers separate Total Equipment Protection to cover lost, stolen or damaged equipment. If interested in this service, you must contact Sprint directly within 14 days of activation of your device.

Note: To protect yourself please consider purchasing SquareTrade Handset Protection Plan or AppleCare+ for iPhone/iPad to cover any mishaps that may occur to your device.

SUBMITTING YOUR REBATES

Wireless Advocates offers two types of rebates – Carrier Rebates and Wireless Advocates Rebates (administered by Stuart Lee). Here are some general reminders regarding your rebates

- 1 Thoroughly read the instructions on each rebate form within 24 hours of receiving them via email. Submit your rebate within the deadline stated on the rebate form. If a rebate is received without proper paperwork or past the deadline, it may be denied.
- 2 Be sure that your rebate is completely filled out and all wireless phone numbers are listed on your rebate form(s). Please print your name and address clearly (do not abbreviate) to ensure proper issuance of your check.
- 3 Carrier rebates often require that you send in your UPC code located on the box of your device. Please do not throw away the box until you verify that your particular rebate does not require this. We suggest you make a copy of the paperwork you submit and send the original rebate form along with your Costco receipt, service agreement, and any other documents as required.
- 4 When mailing your rebates, please verify that each rebate is mailed to the proper address. You may use one envelope per mailing address. Be sure to include proper postage – a typical package will require two postage stamps.
- 5 Submit your rebate within the deadline stated on the rebate form. Our rebate vendor (Stuart Lee) will not accept certified mail. Please send your rebate via regular mail or ask your post office for alternative options that allow tracking without signature.
